

DVD Special for Christmas

This is for anyone you know into cars, speed, living life to the full.

It's December and we can now mention the word 'Christmas' without rightly being beaten over the head!

This e mail saves up to £17- so please forward to those into Le Mans, cars, racing, high speed, action and getting lost in Turin!

Our new 'Le Mans Chasing the Dream' film won at Milan Film Festival last month and is in The Telegraph, Evo, Times, Octane & Autocar this month. It's recommended in this weeks Top Gear too, in between Clarkson and Bruce Willis. See quotes below.

These DVD's are spot-on stocking fillers. Here are some bargains too:

About the new film:

Recommended by BBC Top Gear, Evo, Autocar, Octane, Silverstone, Daily Sportscar.

'Terrific!' **Jim White, Daily Telegraph**

'A cracking film' **Sam Collins**

'Excellent in-car footage, slick editing and a refreshing freedom from gimmicks... an impressive piece of work' **Octane**

'A wonderful job, tremendous atmosphere and a super production. Tells the Le Mans story as it is' **Derek Bell MBE**

***** 'This is probably the closest you will get to knowing how it feels to work and race at Le Mans.' **Autocar**

This is the real Le Mans.' **Brian Laban, author of Le Mans 24 Hours**

'Shows the good, the bad and sometimes ugly of Le Mans like nothing before. You are at Le Mans. Nobody else has done that.' **Graham Goodwin, Daily Sports Car**

'It's so nail-bitingly close to the action you might as well be strapped to the bonnet!' **Russ Thorn, Silverstone Magazine**

'Really really engrossing, it's got the arty lingering moody shots and all that classic Le Mans stuff' **Sam Collins**

'I've genuinely never enjoyed a motorsport related film more' **Customer**

'Gripping viewing from start to finish' **Customer**
